CGISA Technical Support Package (TSP)

The modern governance environment is characterised by high levels of change as a result of revised legislation, the King Code, ESG and corruption. The changing business environment will require greater responsibility for company secretaries and governance professionals. Are you prepared for these challenges?

The CGISA Technical Support Package provides a range of solutions to meet these demands for the busy company secretary and governance professional.

CGISA Technical Support Package Subscription Form

Date of first subscription with TSP		
Company Name		
Name and Surname		
Company VAT Number		
Company Registration Number
